Sparsh-Fab[®]

Sparsh Fabrics, with an expertise of over three decades using the best Innovative technologies, is one of the leading companies in the market as it believes in only manufacturing the best quality, trendy, uniforms whilst continuing to keep abreast with the fast pace of the local and global changing market trends.

Moving away from plain and boring mono checks for uniforms, Sparsh-Fabrics bring to the Uniform table a diverse range of textiles specially designed to offer styles that are more contemporary across the nation in school uniforms. The High tech 'Sweat Absorbent' feature of their cool and comfortable fabrics has resulted in revolutionising the concept of Uniforms for schools and corporates by making them both comfortable yet trendy. Fancy Shirting & Suiting offers a range of superior, elegantly designed fabrics, perfect for shirts, coats, blazers, jackets, etc. for different occasions as well.
